ME8 Hands-free Microphone

Electret built-in microphone

Article Number

01 6904 00200051

Characteristics

- Electret microphone capsule
- Built-in microphone
- Dimensionally stable plastic housing
- Integrated preamplifier

Scope of delivery

- Microphone with connection cable

Options

- Customised plugs and connection cables
- Minor modifications and individual adaptations on request

Application range

- Intercom systems
- Hands-free microphone
- Room monitoring
